8. Feasibility study
9. Action Plan

Results

Lessons learnt
- The company knows the amount of waste and price of raw material in waste, but they were not used to calculate the total financial loss. Company liked most linking material and financial flows. CEO appreciated EDIT review company from all different points of view.
- Three visits in the company is the minimum to complete the EDIT Value, consultant would suggest to utilise more time (5 – 10 days).
- Involvement of top management is crucial for EDIT implementation with good results.
- Company will continue to utilise EDIT for regular annual reviews.
